

**QUEEN CANDIDATES** One of these nine campus lovelies will be crowned Wistaria Queen at University of Bridgeport's annual Wistaria Pageant, May 3, at 3 P. M., on grounds of Alumni Hall. L-R: Anne Cassidy, Garden City, L. I.; Dorothy Passick, East Haven and Helen Bown, Fairfield. Second row, Dorothy Marino, New Haven; Barbara Ahlstrand, Bridgeport and Jean Baltrusaitis, Bridgeport. Third row, Eleanor Hoffman, Hartford; Beth Drexler, Mamaroneck, N. Y. and Mildred Riccio, East Haven.

## Wistaria Days To Start May 1

There has been wide speculation as to the winner of the 1953 Wistaria Queen title, but everybody will have to wait until tomorrow night at the Wistaria Ball for the official announcement. The Ball, featuring the music of Ray McKinley, will be one of the highlights of the sixteenth annual Wistaria Weekend.

The weekend will start with a Track Meet between UB and White Plains Tech at Seaside Park and the opening of the three day Art Fair to be held on the Fairfield Hall grounds.

A note of color will be added when the alumni-faculty all stars, both men's and women's teams meet for a softball championship on diamond four Saturday afternoon. Starting line up for the "oldsters" feature such names as President "Fireball" Halsey, Mr.

James "Suspension" Fenner, Dr. "Can Always Put U Out" Wolff and others.

Saturday evening the Alumni Association will play host to faculty, students and alumni at a supper at Marina Hall and a social at the Student Center, featuring the music of the Downtowner's Quartet who are pledged to play whatever the audience desires. The social is set for 7:30 P. M.

The traditional weekend will close with the colorful Wistaria Pageant, including the dedication of the Student Center, on Sunday afternoon on the Center's grounds.

## Bridgeport Day Successful; Civic Officials Cooperative

Three ordinances were passed and several recommendations made to City of Bridgeport officials by UB students who took over the reins of the city government of Bridgeport Day, Tuesday.

Passed were ordinances to erect a modern civic center, establish a day camp for underprivileged children and a provision for better street lighting in the South end.

Recommendations included a raise in pay for firemen and other city officials, an increase in the number of public health nurses,

appointment of a second health officer and a sanitary engineer.

Taking part in the days activities were aldermen Carl Dickman, Bob Levine, Harvey Seltzer, Dick Barret, Dick Ellis, Ben Gallucci, Al Munrow and Lucille LaMacchia.

Appointed to positions to fill city offices were Ron Brandenburg, police chief, Bob Blatt, ass't.; Joseph Iovino, fire chief, Al Lepow, ass't.; Fred Mills, comptroller, Judith Feller, ass't.; Charles Maggio, probate judge, (continued on page 4)

## Lady Reveals Secrets At Wistaria Pageant

By Laura Altowitz

Alumni Hall talks! She comes to life May 3 and reveals her secrets — past and present — in the annual Wistaria Pageant extravaganza. Her story of days of quiescence and later ones of moments brimming over with student life, will be made known to all. Her theme is one of dedication.

## Queen Candidates Prove Students Prefer Brunettes

By Bobbi Crane

"Gentlemen prefer blondes!" "UB students prefer brunettes!" Or so seems to be the case, for the nine lovelies up for Wistaria Queen all possess shining brown locks.

Sophomore Barbara Ahlstrand, a graduate of Harding High School and a Dental Hygiene student here, stands 5'5" and has blue eyes. Barbara's many activities include executive secretary of Student Council, Debating Society and Beta Gamma.

Blue-green eyes has Jean Baltrusaitis, who measures 5'2". Now a nursing major, Jean is a graduate of Central High School. She is an active member of the Ski club.

Secretary of Phi Omicron Upsilon and the Dental Hygiene Class is Helen Bown, sophomore. Helen is a graduate of Roger Ludlowe High School in Fairfield. She is 5'5" with green eyes.

From Garden City Long Island, Anne Cassidy came to UB two years ago to major in advertising. Anne's 5'7" frame and blue eyes can be seen at Beta Gamma or Wistarian Staff meetings. She is also secretary of Seaside Hall.

Blue eyes, 5'4", Eleanor Hoffman is another Wistarian Queen candidate. Eleanor is a graduate of Weaver High School, Hartford and is a D. H. student now. She is an active sister of POU.

Taking care of the girls at Southport Hall is one of the many tasks of 5'6", blue-eyed Dorothy Marino. Dorothy, a senior in the College of Nursing, is a graduate of Hillhouse High School in New Haven and a transfer student from New York University.

Mildred Riccio, an East Haven girl, is a sophomore, majoring in

Education. She is 5'3" and has brown eyes.

Another POU sister, Dorothy Passick, 5'2", hazel-eyed, is a queen hopeful. Dorothy, a D. H. major, came to UB from East Haven High School two years ago. Mamaroneck, N. Y. is the home (continued on page 4)

### SCHEDULE OF EVENTS WISTARIA WEEKEND MAY 1-3

**FRIDAY, MAY 1 —**  
3 P. M. — Track Meet: UB vs White Plains — Seaside Park.  
9-1 P. M. — Wistaria Ball — Ritz Ballroom.

**SATURDAY, MAY 2 —**  
12 Noon — "Dutch Treat" Luncheon — Alumni Hall.  
2 P. M. — Softball: Faculty-Alumni vs Students — Seaside Park, Diamond No. 1.  
5:30 P. M. — Buffet Supper — Marina Hall. Free to Alumni, Students, Faculty. Tickets Necessary.  
7:30 P. M. — Informal Social Entertainment — Alumni Hall.  
8 P. M. — Fraternity Socials.

**SUNDAY, MAY 3 —**  
12 Noon — Annual Alumni Reunion Dinner — Marina Hall.  
2 P. M. — Annual Business Meeting — Marina Hall.  
3 P. M. — Dedication of Alumni Hall & Annual Wistaria Pageant — AH Grounds.  
4:30 P. M. — Open House — Alumni Hall.

The Art Department will have an art exhibit on display in Alumni Hall May 2 & 3. Overnight accommodations for Alumni are available.

This great story will be told by the narrators, Bob Paul and John Schaffner. Those aiding in telling this tale are Larry Dietler, Marv Kushnick, Geraldine Bennett, Mary Ellen Bruno, Shirley Jones, Gloria Kulski, Dolores Ludka, Nina Silver, Bill Bevacqua, Larry Buth, Bill McGrath, Dick Sobolov, Roger Saxon, Bob Middlemass, Ann Yerontakis, Marion Breen and Jean Ciotti.

### ALL-STAR CAST

Also Ginger Kelly, Cynthia Lee, Mildred Sepelak, Beverley Randall, Saul Goldwasser, Al Munrow, Phyllis Cohen, Irv Sobolov, Phil Carrubba, Roger Vars, Jane Goldsmith, Betty Agnew, Gloria Hirshberg and Lee Meckler.

There have been times for music and some will be recorded for UBites by soprano-soloist Theresa D'Eramo and Sid Karam, bass.

### AL DICKASON, DIRECTOR

Directing this extravaganza is Albert Dickason. Backstage and business transactions, of which our Alumni Hall has seen many, will be conducted by Larry Dietler, Edwin Elson, Bill Carrothers, Cynthia Lee, Jane Goldsmith, Nina Silver, Geraldine Bennett, John Schaffner, Ann Yerontakis, Marv Kushnick and Mary Ellen Bruno.

The former Loyola Hall will tell humor episodes as the color and gaiety of songs and dancing play their part in her classic story. Gus Meyers Jr. will conduct the orchestra. Others participating are Adefine Meath, production accompanist; Harry Ahlberg, musical arrangements; Theodore W. Nolan, stage construction; and the Sime Neary Dance Studio.

Costumes are credited to Miss Marguerite of Marguerite's Shoppe and Miss Veronica Blythe of Stage Costumes, Inc.

As Wistaria Pageant '53 pays tribute to our Student Center on May 3, Alumni Hall will talk. We should all listen as she speaks.

## State Dental Hygienists Attend Refresher Course

Thirty-three dental hygienists from the state are attending a refresher course at the Fones School of Dental Hygiene of the University of Bridgeport. The last session of the four week post graduate course was given yesterday.

The all day sessions limited to dental hygienists registered in the state of Connecticut has been conducted weekly since April 8. During the course the hygienists have attended lectures on Periodontology by Dr. E. Arthur Perry, Oral surgery and Diseases of the Mouth by Martin E. Aronson, Roentgenology by Miss Shirley Annala, Pedodontics by Robert H. W. Strang, Practice Management by Mrs. Francis E. Dolan, all of whom are instructors in the Fones School. Also Dr. Carl E. Hedberg, UB trustee lectured on Restorative Dentistry.

## Board Of Trustees Weigh Status Of Religious Clubs

By Randy Linthorst

The issue of allowing religious clubs on campus, long a matter of debate, is now up for consideration before the Board of Trustees. A motion approving such organizations to move onto campus was recently carried by a Faculty-Senate vote of 33-12.

At present, there are two off-campus religious clubs, both of which are striving for regular status. They are the Hillel Club, which meets at the Rodeph Shalom-Synagogue, for Jewish students; and the Newman Club, a Catholic organization which meets at the Sacred Heart Church on Myrtle Ave.

A recent report of the Committee on Religion by its Chairman, Dr. Ralph Pickett, disclosed that his group feels that there is much to be gained by organizing religious clubs on campus. The com-

mittee feels that obtaining speakers and holding conferences on religion, chapel services and promotion of humanitarian projects, could be accomplished more effectively with the backing of student religious clubs.

Earlier this semester, the Faculty Senate voted 15-10 in favor of the clubs. This organization said that it believes that the University should approve the formation and operation of religious clubs provided that they be without restrictions of race, creed or color.

## Wistaria Is Tradition

Tradition strikes the keynote as the Wistaria Weekend opens with its formal ball at the Ritz tomorrow evening.

Alumni returning, to once again visit the campus and renew old acquaintances, view their surroundings with an air of nostalgia. Changes have been made, not only in the old acquaintances, but in the appearance of the University itself. The feeling of belonging to the campus community remains, however.

Traditional, also, has become the Wistaria Pageant. Each year this outstanding production, under the direction of Albert A. Dickason, highlights the Wistaria Weekend festivities. The Pageant has become the story of the growth of the University. Ah! Yes. Tradition.

## Dedication Is Milestone

The dedication of Alumni Hall on Sunday afternoon is another milestone in the forward progress of the University of Bridgeport.

This particular milestone is important because it has been made possible through the contributions of alumni, parents and students towards the purchase and renovation of Alumni Hall.

In order for the University to continue to grow and progress, much of the responsibility for the continued growth and progress will lie with the alumni, parents and students.

It is mainly through their cooperation, interest and support that one day will see the University of Bridgeport rank as well structurally with the best colleges in the nation, as it now does academically.

## Activities Need A Boost

The amount of money available for distribution to student organizations, social activities, the Office of Campus Productions and to the athletic department is insufficient to insure adequate functioning of these organizations.

Student Council action raising the Activities fee from \$6 to \$8 per semester was designed to remedy this situation. The accrued monies will provide for better and more varied student activities.

A preference poll will soon be taken to determine whether or not the student body feels that the Council action was in the best interests of the students.

Progress in any area can only be attained by a small degree of personal sacrifice. The fee increase per person is small, but the sum total can once again place social, organizational and athletic activities solidly upon their feet . . . it would be worth. . . a small sacrifice.

## Wistaria Weekend Agenda Planned By Alumni Assoc.

Representing 3,000 Alumni members at the Wistaria Ball will be Mr. and Mrs. Carl Huber '38-'50, Mr. and Mrs. John Jensen '41, Mr. and Mrs. Walter Maguire '43 and Mr. and Mrs. William Gormley '47.

The "Alumnus of the Year" trophy, given to the alumnus who has done the most this year for the University and the Association, will be awarded to Everett Matson, chairman of the Alumni Committee on Alumni Achievement, at the next annual meeting.

Participating in the dedication ceremony, May 3, will be Carl Huer, John A. Jensen, Everett Matson '50 and Chris Parris '47. Nominations will be presented

at the next meeting for officers of the Association. A slate of five Trustees will also be presented. These are Carl Huber '38-'50, Sales Manager for the Huber Ice Cream Corp.; Paul Liscio, DDS, '30; Jean Marsh '40, secretary for the Remington Arms Co.; Walter Maguire '43, analyst for the Southern New England Telephone Co.; and George Puglisi '35, Stratford High school teacher.

## Dear Editor

I observe with some interest another letter to you, published in the issue of April 23rd, from the President of St. Council. Being a candidate for Student Council, I find myself quite disturbed at the implications of this document.

A very grave idea is here aired; in the absence of proof and evidence I am forced to the conclusion that this is a personal opinion; yet the signature is of a nature to lend an official character to the pronouncement.

As a result, I cannot feel but that a cloud has been cast over the whole election, the candidates and Council itself, which, by its very intangibility and lack of foundation, is almost impossible to dispel.

May I submit, Mr. Editor, that this has much in common with "McCarthyism." It is, I believe, customary to show the evidence before drawing the conclusions; yet here we have the phrases, "certain candidates", "dirty politicking", "unethical recommendations", etc.

I cannot find presented in the letter one shred of evidence to the support of these comments. They actually say nothing; however, were they attributed to any specific person, they would be immediate grounds for serious action.

I am sure that the President of Student Council possessed only the highest motives in presenting this letter; may I, however, suggest that some of these things represent an extremely excessive liberty.

Very sincerely yours,  
Philip W. Clark

## Thunderettes Go On Summer Tour

The Thunderettes, UB's glamorous males, will come into their own this summer as they perform at notable night spots in the area.

A select group of these "dandy dames" will open at the "Actor's Colony" in Seymour Conn., on May 16, when they will be starred along with vaudeville acts imported from New York.

Thunderette veterans of many years will entertain their audiences with top sketches from past Thunder editions, plus hilarious new material, according to manager Al Dickason.

A group of female "ettes", the "Colonettes", will be co-featured with Bridgeport's intrepid crew at the Actor's Colony.

The troupe expects to be on the road about six weeks.

## Alumni Scholarship Award To Outstanding Freshman

The Alumni Committee on Scholarships will award a \$100 scholarship to the Freshman they consider most worthy.

## Senior Prom at Raven

The Senior Prom will be held at The Raven with the price reduced to \$3.50 per couple. The Senior picnic has been tentatively rescheduled for Monday, June 1, at Coulter's Grove.

By IRNIE THROPP

I think that AGP, APO, BG, KBR, POC and SLX all deserve mention for the great job they did in returning to man their booths on Tuesday, as well as on Saturday, at the Campus Chest Carnival.

EPSILON BETA SIGMA's high light at their Heavenly Hop last Friday night at Lenny's, was the singing of their new and original fraternity song by Dee Ardell. The title of the song is "UBS", of course. . . The brothers are making a donation of Punch magazines and Harper's magazines to the UB library, which they obtained from Yale University.

THETA EPSILON had a closed party at Lenny's Saturday night. According to Mary Royak, they had such a wonderful time that Lenny's Wagon Wheel "rolled."

SIGMA LAMBDA CHI is right in the swing of things. The boys are working on a big weekend. They are planning a cocktail party before and after the Wistaria Ball at the Barnum Hotel. Saturday is an all day picnic at Sherwood Island.

Instead of beer they're having "kegs of milk." If they can still stand after all the "milk", they'll have a hay ride in the evening. As Hymie Katz stands injecting a picker-upper into the brothers and their dates, they will attempt to have a breakfast early Sunday morning at Easton Smith's house. A dinner at the Little Hungary restaurant will conclude their gala weekend.

PI OMEGA CHI's new officers for 1953-54 are Gary Singer, president; Leigh Dannenberg Jr., vice-president; J. Arthur Frank, treasurer; Jim Halsey Jr., executive secretary; and Robert C. Levine, corresponding secretary. Good luck, boys!

DELTA EPSILON BETA held a beer party last week at Healy's Hall. The boys are planning a picnic for Saturday afternoon and a party in the evening at Charlie "Jaguars" house in Westport.

ALPHA GAMMA PHI is planning their annual weekend for May 8 and 9. On the agenda is a closed dinner-dance at the Winter Quarters in the Barnum Hotel on Friday and an afternoon picnic Saturday. But knowing the AGP men, it will surely last through half the night.

KAPPA BETA RHO had a closed party last Saturday night and are presently planning a cocktail party tomorrow evening before the Wistaria Ball. This is probably the only fraternity on campus that never has any "crashers" at their parties. This is because they refuse to divulge the where-about of any function.

## Insurance Group Holds Interviews

Potential UB graduates in liberal arts or business administration can vie for administrative positions with the Lumberman's Mutual Casualty Co. of Massachusetts, Tuesday, May 5 at 10 A. M. in Central Annex.

Mr. G. Stevens, company representative, offers positions of consultants, investigators and appraisers with on-the-job training, announced director Frank Wright. Stevens will arrange individual interviews after the group meeting for those interested.

The Lumberman's Mutual is not looking for insurance salesmen, but rather for those who delight in solving other people's problems in a consultant capacity.

Also at the same time in T-214, Mr. J. Gibson, Sargent & Co., New Haven, will conduct a group meeting for engineers.

## UB Represented At Band Meeting

Eighty of New England's finest college musicians gathered at the University of Rhode Island, April 17-19, to form the New England Intercollegiate Band. Mr. Frederic Fennell, well-known concert band conductor, led the aggregation.

Daniel Leeson, chosen out of 23 clarinetists, played a clarinet solo. Other representatives from UB were Barbara Burhorn, clarinet and Theodore Brooks, baritone horn.

## EARN \$1000 THIS SUMMER

Here's your opportunity for pleasant profitable Summer work with a Marshall Field owned Organization. Openings for College men and women to assist the Director of CHILD CRAFT in your own community. Complete training given. For full details write today to Miss Lillie Peterson, 11 West 42nd Street, Suite 1668, New York, N. Y.

# Seton Hall Beats Knight Squad; Season Golf Record Now 3-2

By Don Burke

Breaking back into the win column after two successive losses the University of Bridgeport Golf Team dumped White Plains State Tech by a walloping 6-0 at the Patterson Club last Tuesday.

This renewed drive of the Knights was sparked by Lou Saccone when after a blazing first nine holes he proceeded to sink three birdies in the last eight holes. Hubie Vines along with Mike Valacin and Walt Leveen played brilliant golf which assured UB of it's shutout of the season.

Last Thursday the Golf Team fell easy mark to Seton Hall College 7-2 at the Crestmont Country Club of West Orange, N. J.

This sudden reversal of form by UB which started when the Knights were toppled from an eight game winning streak by Iona two weeks ago had reduced the once high-flying Purple and White to a mediocre 2 and 2 record in this season's play.

In the Seton Hall encounter, Walt Leveen playing in fine form, scored one point for Bridgeport when he bested Lou Petrozzielle (SH) 1-up. Sam Marks (UB) completed the scoring for the Knights as he won by default from John Brady (SH). Best ball in this match went to Seton Hall 1 down.

Hubie Vines (UB) went down to his first individual defeat of the year at the hands of Neal Byrn (SH) 1 up while Lou Saccone (UB) lost to George Coughlin (SH) 2 & 1.

The Knights hope to keep on with their winning ways tomorrow when they meet Fairfield University for the first time this year at The Patterson Country Club. A match previously scheduled for April 16 with the Red Stags was rained out.

## UB vs White Plains At Seaside Tomorrow

By Mickey Vail

Running with only one day's rest between meets, the University of Bridgeport track squad will meet White Plains State Tech at Seaside Park tomorrow in their second home meet in three days. Wednesday the Purple Knights took on Fairfield University.

Looking better than they have in a long time, the "Kaymen" were beaten in their opener last Wednesday by a well conditioned New Britain Teachers squad that already had three meets under its belt before meeting UB. The final score of 86½-39½ was not a true indication of the Knights capabilities.

Kondratovich was well pleased with his charges after their loss to TOC for he discovered quite a few newcomers looking very sharp in competition. Paul Hennion, throwing into a strong wind, won the javelin contest with a throw of 149'2" while Jeral Hagerty placed second in the 120 high hurdles and third in the 220 low hurdles and 440 run.

Phil DuBruiel led the Knights against NB as he took first in the high jump and second in the shot put and broad jump. In the high jump "mighty Phil" missed a school record when his toe brushed the bar on his final attempt.

Next Wednesday UB takes on Arnold College here in Bridgeport.

## Park Hall Leads Field In IM Softball League As High Scores Feature

By Irv Sobolov

The UB intramural softball league got under way last Wednesday in a flurry of runs. Hits, errors and runs came easily to the teams that ventured forth to try and take the title away from the SPA boys, last year's title winners in IM softball play.

The SPA team started off like they were going to blow the first game of the season, but they overcame a 9-0 POC lead to come on to take their first game of the season 13-11. In another close battle the AGP team managed to outscore the rebels of ADO by the score of 13-12.

Park Hall took two games last week to take the lead in their respective league. In their first win the boys from the dorm took the gold and black of TS into camp by the score of 19-9. The other win came at the expense of the AGP nine by the score of 14-7.

The biggest score of the early season came about when the APO team scored 21 runs against KBR. The KBR team were not light hitters as they clubbed APO for 13 runs in a losing cause.

This afternoon will see SPA-KBR, POC-APO, PH-ADO and AGP-TS take to the diamond for another afternoon of play.

Stationery Dept., Street Floor

By AL LEFOW

There are many things basically wrong with the intramural set-up here at the University of Bridgeport. The lack of real live competitive fight among fraternities and independent teams show it, among other things, as does the lack of ambition to even enter a team in various sports.

One of the biggest wrongs is the method of crowning the intramural champion. Excluding softball, which is now in progress, last week's SCRIBE showed P1 Omega Chi to be miles ahead of the rest of the pack with a grand total of 166 points. Their 45 point lead over their nearest rival, Alpha Phi Omega, virtually assures POC of the crown, THIS DESPITE THE FACT THAT THEY HAVE WON ONLY ONE INDIVIDUAL CHAMPIONSHIP OF THE FOUR SPORTS PLAYED.

APO, lone entrant in the swimming event, garnered all 18 points for that, as well as the championship, but teams such as Alpha Gamma Phi and Sigma Phi Alpha, basketball and football champs respectively, rank far down the standings, with no possible chance of overtaking the leaders.

Why these standings are as they are, can be explained in a number of ways. First of all, the system of allocating points is as antiquated as Waldemere Hall. Bowling is a perfect example of one of the fallacies.

Bowling, a minor sport, gave its winner, POC, a total of 78 points, whereas football champions SPA received only 43 for their title and basketball gave AGP only 55. That in itself, virtually decided the race, but when such a minor sport can have such a large bearing on the crown, something definitely is wrong.

Secondly, at present each team receives one or two points for each contest they have scheduled and do not forfeit. Although this also should have no bearing on the championship other than to win or lose the contest, a double penalty is inflicted upon teams that play, say, three games and forfeit their remaining three. Not only does the forfeiting team lose its points for forfeiting, but they also lose any previous points earned as soon as they drop out.

Theoretically, here's what can happen. Teams A and B are both in the basketball league which has each team scheduled for six games. Team A plays its entire season, winning two and losing four, while team B wins its first three and then forfeits its remaining games. Team A, although winning only two games, receives a total of 16 points, two for each victory and two for each appearance. Team B receives absolutely nothing, although they should have been given 12 points. Therefore, a team such as A, although never winning a single individual championship and never even being a contender, can conceivably win the overall championship.

Another important factor in disrupting the intramural program is the lack of enforcement of the established rules. For instance, when a deadline is set for teams to get their completed rosters in, additional names should not be accepted after that date and alterations should not be allowed. There have been many violations of that cardinal rule in the very young softball season, thus leading teams to believe that whatever they can get away with is alright.

Last of all, let's expand the intramural set-up to include more than five sports. What happened to golf, track, tennis, volleyball and horsehoes? If enough teams do not enter, do what was done in swimming, give it to the team that does show up. Then, and only then, will we have a real intramural champion.

## ALONG PARK PLACE

By ANDY DEMOTSES

Hail the King and Queen of Schiott Hall, none other than Joe "Baldy" Iovino and Vicky Villinski, chosen from hundreds of hopefuls who attended the closed party there last week. (HUNDREDS ? ?)

Jim Bodnar, newly elected VEEP of SPA, is still wondering where Jim Forti gets that "interesting" newspaper "Key-hole" every day.

Although rained out last Saturday, the Kingdom of Barnumania came into existence Tuesday night. It seems a shame that a great deal of the many long hours that went into the planning of this affair were "washed" out.

Quite a few Ubers out to the Ritz Sunday evening to see and hear one of Bridgeport's many contributions to the entertainment world, namely Don Rodney and his band. Don has a very nice style and his group is easy to listen to.

Contrary to all reports, I want to say that Fran Palazzio did not just return from Denmark, but is a "he" from the very beginning and not a "she" as I incorrectly identified him last week.

Fortunate of Jerry Reilly to land a contract with WICC-TV as photographer for this new video station. Jerry does fine work and will be glad to talk to anyone on or off campus concerning any type of photography work.

That was a very nice picture in the local newspaper of UB grad Phyllis Montanaro enjoying her tour of Italy. Phyl was elected "Miss Gran Carnivale" by the people of Bridgeport and the trip is part of her prize.

**ATTENTION GIRLS**... Latest bit of advice from Hollywood comes to us from lovely Piper Laurie thru Wal-Winchell's column. Says Piper, "Don't be insulted if a man tries to kiss you on the first date." (The time to be insulted is when he DOESN'T try to kiss you). Thank you, Walter.

Russ Schatz, a new arrival here in February, has this bit of philosophic advice: "Have no fear of stick and stones, it's the bathroom soap that will break your bones."

Many people are wondering who the student was that answered the question, "If you can't stand my teaching, why don't you drop the course", with the not too bright reply, "I would, but I can't afford to lose the sleep."

During the past few weeks, I have heard quite a few remarks from the girls up at Bridgeport Hospital. It seems they feel they are left out of campus activities and information. If any of these girls has news of interest, I would be glad to stick it in here any week.

Maybe it's the weather, or maybe it's because of some other unknown cause, but already this school year seems to be about thirteen months long. Anyone got any suggestions?

One of the nicest bits of romance this month is the news of Lou Radler's engagement to his Harriet, class of '52. Next to graduation, that is the best thing that can happen to a young guy.

John Anderson of Marina Hall seems to have a mania for putting ice cubes down people's backs. All he did one entire afternoon last week was to chase a certain young lady (whose name I am not at liberty to divulge at this time) in and out of Alumni Hall, trying to cool her off with a cold cube.

Everything went off without a hitch at City Hall for Bridgeport Day activities and a great deal of valuable experience was gained by those who took part. We can only hope that next year it will be bigger and better than ever.

Mary Royak was quite surprised when Sam Bernstein took her picture in AH just a while back. Sam has a special camera and just when Mary expected to get snapped, she got soaked instead by a stream of water that shot out of the front. (Surprised isn't quite the word).

As usual, it is quite late as I finish this column and I am much too tired to think of a comical ending. So, good night, all!

One of these girls will be Wistaria Queen. Ballots have been cast. The votes have been counted. Which one of these beauties is UB's favorite. Only Friday, May 1st, will tell.

## Munrow Elected President Of Stamford Alumni Group

### Health Group Form Policies

Your health has given more than one grey hair to a little known group on campus, composed of faculty and students, the Health Council.

Formed in November, the Health Council is a representative body which meets periodically to form policies and to discuss problems which relate to the Student Health Service.

The aim of the Council is "to co-ordinate all services and activities which affect the mental and physical health of the students and other University personnel." All departments are represented at the meeting so that the discussions of the Council will take in as wide a scope as possible.

Officers of the Council are James H. Halsey, ex-officio; Dr. Henry W. Littlefield, chairman; and Mrs. Walter Kondratovich, secretary. Other members include Mr. Floyd Brewer, Miss Marsha Buell, Mr. Herbert Glines, Mrs. Doris Hoffman, R. N.; Dr. Eli Ives, Miss Martha Jayne, Mr. Donald Kern, Mrs. Grace Martin, Mr. William Nowlan, Dr. Alfred Wolff, Carl Dickman, Daniel Leeson and Mary Royak.

### Graduate Schools Accept Four Sociology Majors

Four UB Sociology majors have recently been admitted to graduate schools.

They are Harold Rosenstein, Boston University Law School; Dick Moskowitz, Boston Law School; Dick Puklin, New York University Graduate School of Sociology; and Tony Tomanio, New York University. Tomanio had previously been offered scholarships to Brown University and Purdue University.

The Sociology Department has published the first in a series of alumni bulletins with Puklin and Tomanio as editors.

### Students Prefer Brunettes

(continued from page 1)  
town of 57", brown-eyed Beth Drexler. Beth, a journalism major, is active in Theta Epsilon and is a member of the Student Council.

One of these girls will be Wistaria Queen. Ballots have been cast. The votes have been counted. Which one of these beauties is UB's favorite. Only Friday, May 1st, will tell.

### Bridgeport Day Success

(continued from page 1)  
Anthony Tomanio, ass't.; Anne Spartan, chief of department of education, Richard Watt, ass't.; William McGrath, city attorney, Dianne MacDougall, ass't.
